

Create an Isomer Site

 **3 mins** estimated time to complete

Instructions

By completing this form, you'll be able to successfully generate a site on Isomer. To request for access to your site, please follow the subsequent instructions sent to your government email.

1. Government E-mail

Only users with @open.gov.sg e-mail addresses issued by the Singapore Government can use this form

kathleen@open.gov.sg

✓ VERIFIED

2. Repository Name

This is a name to identify your site on isomer's backend. Please follow the format specified below.

Provide the name in lowercase in the form xxx-yyyy, where xxx is the agency and yyyy is a short descriptor of your website. An example is nlb-sure, NLB's SURE programme

pa-test

Pages

3. Will your website have single standalone pages?

Homepage, Contact Us, Terms of Use and Privacy Statement pages are not included in this list as those are required components.

An example of a standalone page is: <https://www.isomer.gov.sg/faq/> (<https://www.isomer.gov.sg/faq/>)

✗ NO

✓ YES

4. Single Pages

Provide a list of single standalone pages that will be found in the website.

Kindly use only lowercase letters and numbers, and a dash (-) as a word separator, eg. bukit-timah

Page Name

example-page

+ ADD MORE

(1 out of max 10 rows)

5. Will your website have collections of pages?

A collection is a group of pages.

An example of a collection of pages is <https://www.isomer.gov.sg/get-started/about-isomer/> (<https://www.isomer.gov.sg/get-started/about-isomer/>).

✗ NO

✓ YES

Collection	Page	Sub-Page (optional)
about-us	who-we-are	vision
about-us	who-we-are	logo
our-verticals	food	
our-verticals	environment	

An example of how to fill up collections of pages

6. Page Collections

For each row, provide the collection, page and optional sub-page.

Use one entry for each page/sub-page, eg:

Collection, Page, Sub-Page
about-us,who-we-are,board-of-governance
about-us,who-we-are,management-committee
about-us,what-we-do,
our-activities,indoor,
our-activities,outdoor,

Use only lowercase letters and numbers, with - as a word separator, eg, bukit-timah

Collection

Sub-Page (optional)

example-subpage

+ ADD MORE

(1 out of max 20 rows)

Resources

7. Will your website have a resource room?

A resource room usually has media releases, publicity material, announcements and the like

✕ NO

✓ YES

8. Resource Room Name

Only use lowercase letters and numbers, and a dash (-) as a word separator, eg. bukit-timah

resources

9. Resource Categories

Enter each kind of resource that your room will have. Examples include announcements, events, press releases, and so on.

Only use lowercase letters and numbers, and a dash (-) as a word separator, eg. bukit-timah

Name

example-category

+ ADD MORE

(1 out of max 5 rows)
